Concerning: Letter of recommendation

Dear,

Due to a reorganization within our company, we had to make the difficult decision to not renew the contract of Frans Baud.

Frans is a young, very talented and motivated artist. He's got a creative mind and has a good sense of style. He knows how to translate a concept into art work. Next to this he is a team player and a very well respected colleague.

Frans is flexible and willing to work on any project that is assigned to him. For Zigiz amongst other things, he designed the characters and UI for a Music game. Next to the game art work he also helped out developing visuals (e.g. banners and newsletter content) for promotional campaigns.

I highly recommend Frans as a candidate for employment. It's a real shame we have to let Frans go and I would hire him back anytime!

Sincerely,  
Keesing Games B.V.
